El Mirage Fire Department Receives New Thermal Imaging Camera from Firehouse Subs Public Safety Foundation

[El Mirage, AZ November 14, 2014] – On November 13, 2014, the City of El Mirage Fire Department received a new thermal imaging camera from the Firehouse Subs Public Safety Foundation. The Foundation is dedicated to improving the life-saving capabilities of first responders and public safety organizations in communities served by Firehouse Subs by providing funding, resources and support.

The thermal imaging camera was on display today during a presentation ceremony held at the Firehouse Subs location near the Loop101 and 67th avenue in Glendale, AZ. Representatives from both the El Mirage Fire Department and the Firehouse Subs Public Safety Foundation were on hand as El Mirage gratefully accepted their new piece of life saving equipment.

More...

El Mirage Fire Chief Jim Wise summed it up when he said, “We are extremely grateful to receive such a valuable piece of equipment from a truly first class organization such as Firehouse Subs. The El Mirage community will benefit from this as it allows our firefighters to rapidly detect fires, rescue victims, and save lives.”
